INVEST Checklist

Does your user story meet these six criteria? If not, split it.

USER STORY The story you are checking

CRITERION	QUESTION	OK
Independent	Can be prioritised and understood on its own	☐
Negotiable	Leaves room to discuss the details, not a fixed specification	☐
Valuable	Delivers direct value to the user	☐
Estimable	Defined well enough to size roughly	☐
Small	Small enough to get feedback fast	☐
Testable	Clear enough to know when it is done	☐

If a story does not fit on the user story card, it is usually not small enough yet.
